Rental Rates and Options

Customizing your Event

Rental customers can choose from among several options to match the type of event. Our flexible-use Auditorium can accommodate business meetings, formal dinners, lectures, seminars, and parties. The Auditorium has excellent musical acoustics and a resident Steinway baby grand piano, providing a marvelous arena for recitals and small audience performances. It's also a perfect venue for yoga classes, meditation retreats, and other events requiring a quiet, enclosed space.

Our Tea Room offers a charming setting for receptions or intimate dining set amid antique samovars, 19th century jail cells, and changeable colored ceiling lights. Smaller gatherings can be hosted in the Library or on our elegant Roof Terrace (open seasonally). Both the Library and the Auditorium offer a full spectrum of audio-visual amenities, and caterers love our large prep kitchen adjacent to the Auditorium and Tea Room.

Weddings are especially unique at the Museum of Russian Icons. An aura of hushed contemplation perfectly complements a sacred ceremony, while the vibrant colors highlight the joy of the occasion. Guest may dine in our spacious Galleries, surrounded by centuries-old art, then dance in the sleekly modern Auditorium and Tea Room. The striking contrast of styles, colors, and atmospheres creates an experience you and your guests will remember for years to come.

Auditorium and Library rentals can be scheduled when the Museum is open to the public, or after-hours, when guests can also enjoy private access to the Galleries, Roof Terrace, and Russian Tea Room.
